

## **Become a Community Health Worker and Receive Job Placement upon Completion!!!**

### **Qualifications**

- \*Age 18 or older
- \*Have access to a computer, tablet or laptop
- \*Reliable internet
- \*Access to vehicle with current car insurance
- \*Criminal background check will be completed

The Community Health Worker training is offered through the Maryland Area Health Education Center CHW Training Institute. Our training is accredited by the Maryland Department of Health which requires 100 hours of coursework and 40 hours of field practicum experience.

Central Maryland AHEC will offer the course August 2- 30, 2021. The virtual portion of the course will take place via Zoom with additional directed online assignments required. A training stipend may be provided upon the successful completion of the course (eligibility restrictions may apply).

### **Participants will achieve the following objectives:**

- ❖ Learn effective ways to communication between the community and social service agencies
- ❖ Improve the health of the community
- ❖ Gain a sense and learn how to navigate the health care system
- ❖ Build confidence in establishing supportive relationships
- ❖ Integrate new techniques and activities to effectively advocate for the communities you serve.

### **Training Information:**

**When:** August 2-30, 2021 (Monday-Thursday 9:00am – 12:00pm)
